

West Butterwick Parish Council

Financial Reserves Policy

1 Purpose of the Reserves Policy.

The Council is required to maintain adequate financial reserves to meet foreseeable needs and commitments, and also to have money available in the event of an emergency. Current advice on reserves from the Local Councils Association and followed by the Parish Council is that the amount of financial reserve held should, where possible, be a sum about equal to the annual precept.

2 Reserve Components

a) General Reserve.

The use of this is not restricted. It can be used to smooth the impact of uneven cash flows, offset the budget requirement, or can be used to cope with unexpected events or emergencies. The Parish Council has adopted the following policy for this reserve:

- (1) It is intended to maintain the General Reserve at a level equivalent to twelve months precept income, but at all times there should be sufficient to cover staff salaries for six months.
- (2) If the balance is drawn down, replenishment will be provided for in the next annual budget.
- (3) If the General Reserve is exhausted due to extreme circumstances, the Council may make emergency borrowings from Earmarked Reserves, which will be replaced in the next annual budget.

b) Earmarked Reserves.

These are to be set up to meet known or predicted liabilities. Current examples include:

- (1) Village Project
- (2) Donations

3 Procedure Adopted for the Management of Reserves

- (1) Any decision to set up a reserve must be made by the Full Council.
- (2) Expenditure from reserves can only be authorised by the Full Council.
- (3) The reserves will be reviewed by Full Council as part of the annual budgeting process.
- (4) The Responsible Financial Officer will maintain a detailed schedule of all reserves.
